**Guide Price: £250.00 Per Gun**

### **LOT 33**

This lot aims to provide an opportunity for proper old fashioned walked-up shooting for 6 to 8 guns with their dogs. A mixed bag of fur and feather. (anything up to 7 or 8 species) Your team will be accompanied by the keeper. There may possibly be some duck and goose flighting at the start, during or end of the day if the weather allows. The aim will be to provide the winning bidder with a great day of varied walked up shooting. The Culnaightrie/Barlocco shoot is a family run shoot on 3 adjoining farms on the Solway coast. It offers some exceptional scenery and lots of varied habitats. Run as a private pheasant and partridge shoot. This is proper walked up shooting over varied terrain; moor, fields, hedges bog, duck ponds, and merse. The bag expectations are variable but an expected bag of 20 to 50 head of game, both fur and feather, is a guide only. The day would suit a keen family or group of friends. Guns should ideally have experience of walked up shooting. There will be plenty of walking and carrying of your game, so a decent level of fitness is required as well as having your own dog. Hot soup and a roll and a bottle of sloe gin will be provided for lunch. If the buyer wants a full meal either during or at the end of the day, it can be provided at the buyer's expense. Date to be agreed in the 2024/25 season. Accommodation (at the time of writing) can be arranged locally if required at the buyer's expense.
